

1WorldSync Foodservice

Connecting Trusted Product Data Everywhere

The 1WorldSync Solution

1WorldSync is the Foodservice industry leader in global content distribution and Global Data Synchronization Network™ (GDSN®)- certified data pool solutions. Whether it is working with your supply chain or harmonizing the data needs of your multi-channel organization, 1WorldSync has the tools, services, and expertise to help.

Why 1WorldSync for the Foodservice Industry

Expertise

- **Largest GDSN-certified data pool implemented in 54 countries**
- **17,000 customers globally**, including more than 1,200 brand owners and over 50 Foodservice recipients; including the largest global operators
- Strong Foodservice industry partnerships and GS1 Member Organization

Solutions

- Exchange of high quality, accurate product information and digital content via a single platform
- Insights for improving collaboration among trading partners to enhance customer service
- Digital asset management to support the increasing demand for image consumption
- Web-based catalog capabilities to provide easy and reliable access to nutrition, allergen and serving size information

Results

- 1WorldSync expertise and solutions enable product information transparency and traceability that continues to be in high demand among consumers, educational institutions, government agencies, healthcare providers and lifestyle management applications

1WorldSync provides trusted product information and better product recall traceability for all members of the Foodservice supply chain.

We are advocates for the Foodservice community, providing several opportunities for our members to stay up to date on the latest industry initiatives, news, and implementation strategies.

1WorldSync Foodservice Community

We are advocates for the Foodservice community, providing several opportunities for our members to stay up to date on the latest industry initiatives, news, and implementation strategies:

- **Foodservice Community Call**
Informative quarterly call to engage and stay connected with other members
- **Online Foodservice Community**
Members' platform for networking, finding solutions to common questions, and staying current on industry news
- **Solution Center**
Online repository of all key implementation documents needed for successful data management
- **Industry Associations**
We actively support major industry associations such as IFDA, IFMA, and NRA. Our educational seminars, industry events, and speaking engagements strengthen our industry engagement and expertise.

1WorldSync is also an Allied Member of IFDA
- **Foodservice Resource Page**
Webpage dedicated to the Foodservice industry, includes newest case studies, solution flyers and video, and information on upcoming events and trainings.
