

September 2020

Dear Valued Supplier,

C&S Wholesale Grocers needs your item data to help you increase your product sales opportunities! C&S Wholesale Grocers is sourcing product content through the Global Data Synchronization Network (GDSN). As an active supplier to C&S Wholesale Grocers, we are asking you to send us your product information via the GDSN process.

Sending your product content to C&S will ensure that your products are moved to our retail partners in the most effective and efficient manner possible. C&S uses your accurate and complete product information such as UPCs and case dimensions to:

- Optimize warehouse storage capacity, allowing us to store more of your product for increased sales opportunities and product availability
- Deliver your products with the greatest speed and efficiency using our innovative automated palletizing technologies

Instructions for submitting your Product Content to C&S Wholesale Grocers:

1. Complete the C&S Wholesale Grocers Trading Partner Form found on www.1worldsync.com/cswg
2. Subscribe to a GDSN certified data pool, if not already subscriber
3. To subscribe to 1WorldSync data pool contact at 866.280.4013 or businessdevelopment@1worldsync.com
4. Review the C&S Wholesale Grocers Implementation Guide and Attribute Requirements at www.1worldsync.com/cswg
5. Request a list of your outstanding items for publication from 1WorldSync at businessdevelopment@1worldsync.com
6. Work with your GDSN data pool to publish your product information as soon as possible to the **C&S GLN 0868504000403**

For any assistance, please contact:

1WorldSync by phone 866.280.4013 or at businessdevelopment@1worldsync.com

C&S Wholesale Grocers Master Data Management Team at MDMTeam@ES3.com

Sincerely,
Chris Woodbury
Vice President, Merchandising and Supply Chain/Trade Relations
